

UC MERCED CONNECT

SPRING 2020 UPDATE

MULTIPLE DEVICES. ONE PLATFORM.

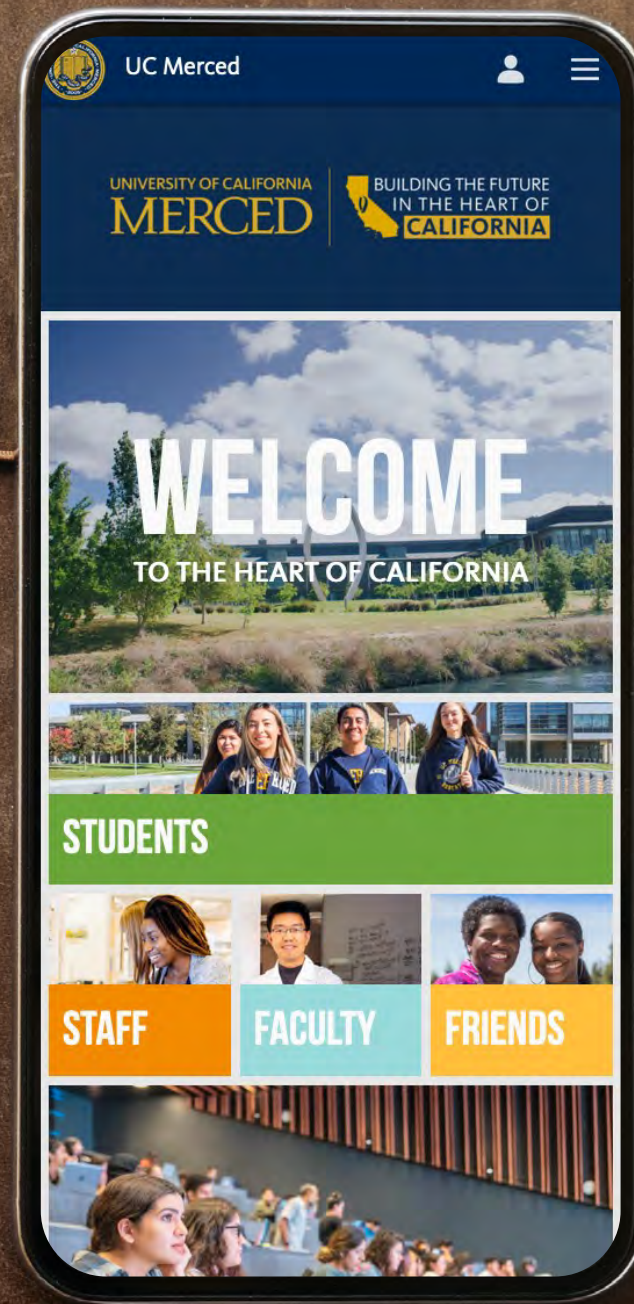

From Future Bobcats to Students, Staff, Faculty and Friends alike, our Bobcat Community will be accessing a new platform and migrating to a new desktop and dynamic mobile app that will provide curated content, essential resources and more in one centralized location.

We're building the future in the heart of California. Welcome to the future on UC Merced Connect...

NEW PORTAL. NEW PERSPECTIVE.

After visiting connect.ucmerced.edu or downloading the mobile app for the first time, users will arrive at the “persona picker” — prompting them to choose a Bobcat community to join.

Each community will generate curated content, filled with specific modules, screens and options providing an enhanced experience.

@UCMERCED

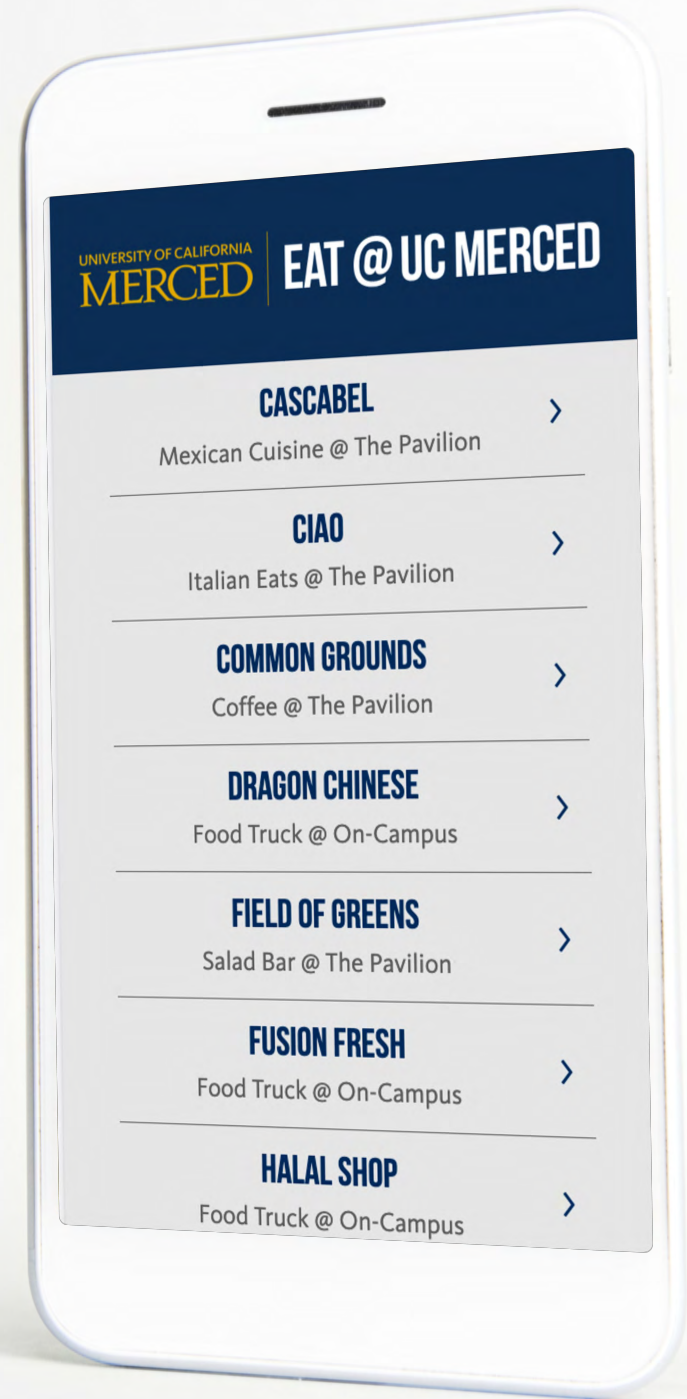

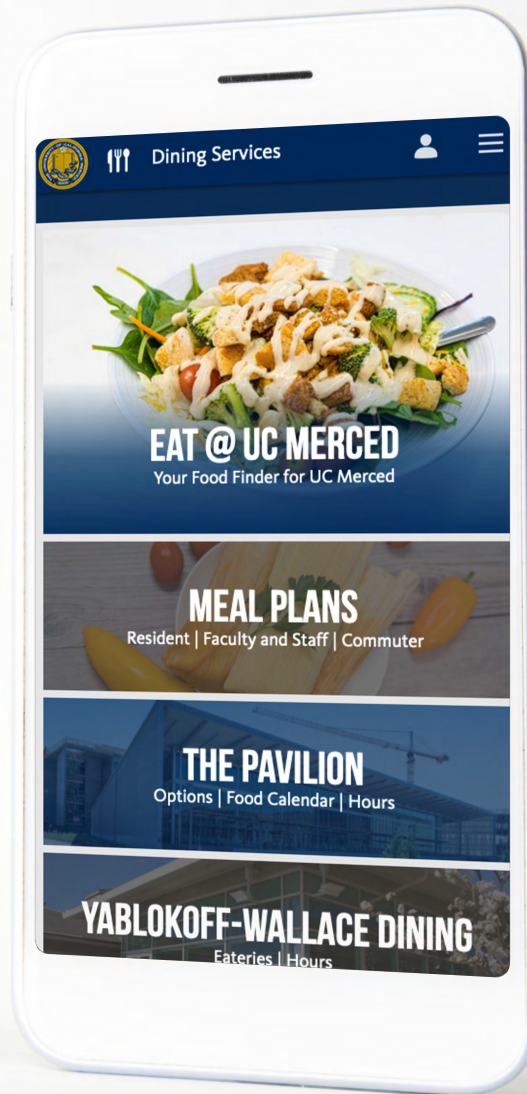

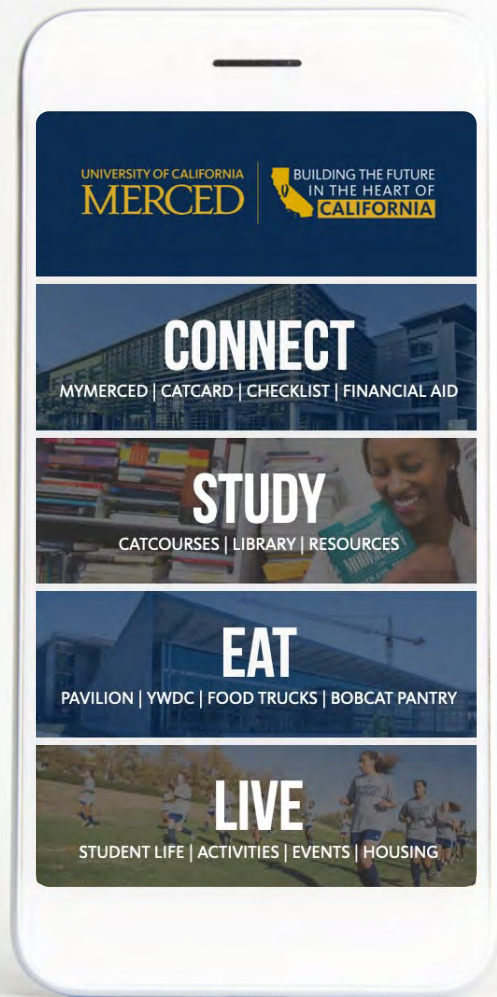

Checklist

Cost and Aid

Whether you're attending or applying — UC Merced Connect will provide an experience that transitions with students from Future Bobcat to Future Alum.

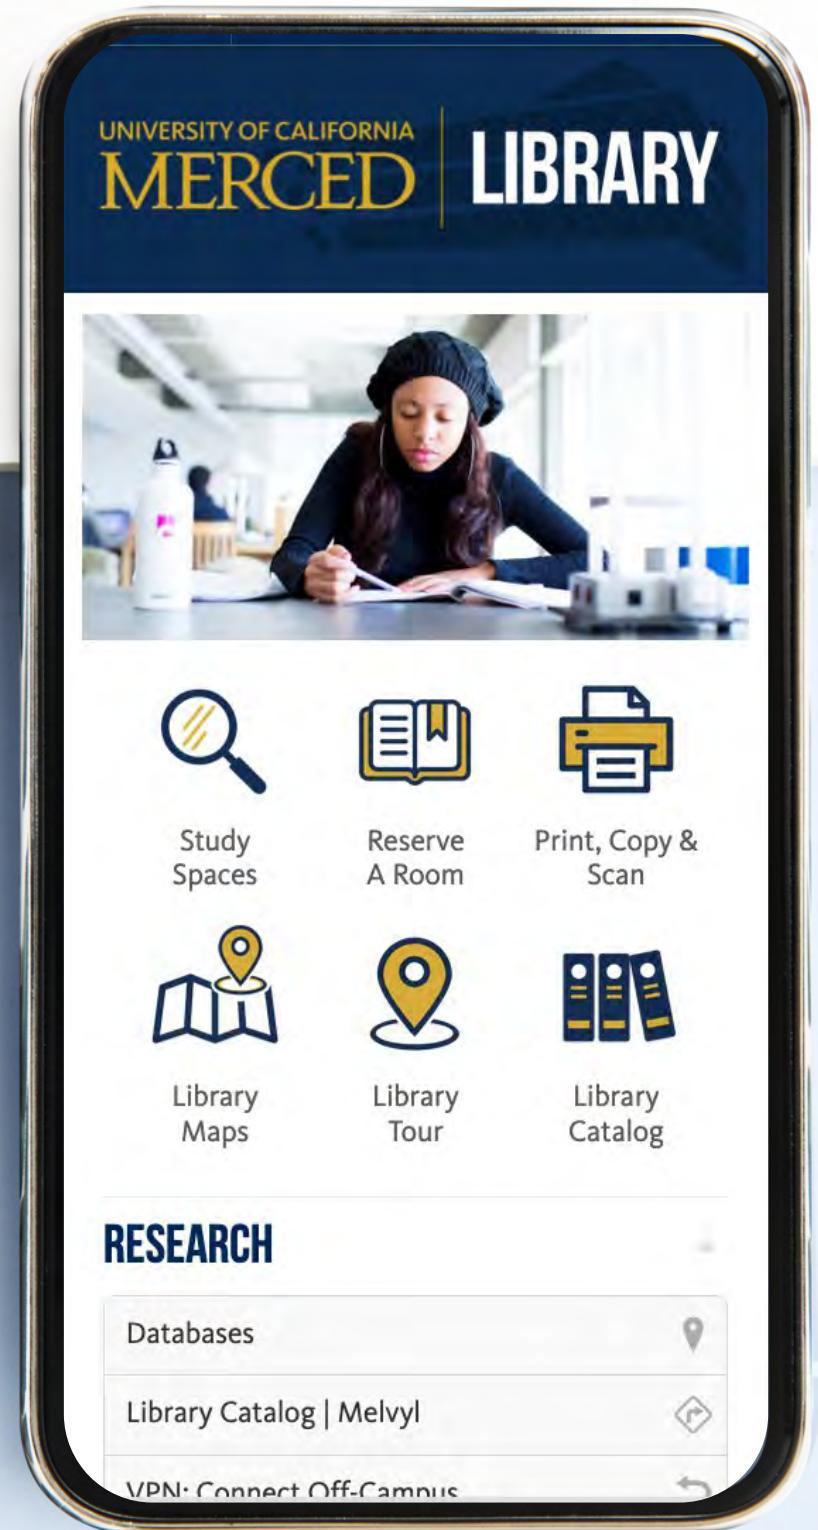

DINING. ON-DEMAND.

From where to study, to what to do, to what's for dinner, users can navigate their home screen to enhance their daily UC Merced experience. Information and resources can be accessed on Connect — from where to find food to what's featured on the menu.

FORM + FUNCTION

While the platform will cover a wide range areas through a variety of screen designs — the brand and design elements throughout should provide a cohesive look and consistent feel as users explore.

COMING SOON: UC MERCED CONNECT
